

BIOLOGY MERIT SCHOLARSHIPS APPLICATION (2 pages)

For scholarships offered by the Biology Department for the 2022-2023 academic year.

Name: _____ Date: _____ Student #: W _____

Local Address: _____

Local Telephone: _____ Email: _____

Permanent Address: _____

Permanent Telephone: _____

Biology Major (emphasis): _____

Overall GPA: _____ Overall WWU GPA (incl. GURs): _____ Biology GPA (incl. support. courses) _____

Credits:

Spring quarter credits (≥ 12 for undergrad; ≥ 8 for graduate)..... _____

Credit hours completed at another institution..... _____

Credit hours completed at WWU _____

Biology credits (including supporting courses)..... _____

Expected graduation (quarter/year)..... _____

For which scholarships are you applying? *Check all the boxes that apply.* If the scholarship is not listed here, possibly it is NOT a merit scholarship and has different application requirements, OR it was not added at the time this form was created. If the latter, tick the OTHER box and indicate details as required. **Please read the requirements for each scholarship on the next page and address all of them in your application; otherwise your application will be deemed incomplete and ignored.**

Biology Alumni Student Research Fellowships

Biology Faculty Fellowship

Biology Student Athlete Scholarship

Biology Department Tuition Waiver Scholarship

Declan Barron Memorial Scholarship

Frances and Alfred Baker Memorial Scholarship

Hodgson Family Scholarship

June and Charles Ross Scholarship

Rathman Family Foundation Scholarship

Other – please indicate: _____

If you have financial need, did you demonstrate it via the Free Application for Federal Student Aid (FAFSA)? _____

Please note that some scholarships may not be offered this year, we will not know which ones until Spring quarter. We suggest that you apply for all those scholarships for which you are eligible.

Requirements of scholarships

Full-time Biology students (undergraduates registered for ≥ 12 credits; graduate for ≥ 8 credits) with an outstanding scholastic record. For undergraduates, this means students who have completed the General Biology 200 series, and completed ≥ 2 upper-division Biology courses (one of which has to be BIOL 321, 323, 325 or 340) at the time of application.

Biology Alumni Student Research Fellowships. GPA ≥ 3.3 , a research project. Undergraduate or graduate students.

Biology Faculty Fellowships. GPA ≥ 3.3 , a research project. Undergraduate students, graduate students, post-doctoral fellows or visiting scholars.

Biology Student Athlete Scholarship. GPA ≥ 3.0 , participant in any intercollegiate sport at WWU. (Athletic clubs or intramural sports do not count). For tuition, fees, books or school materials/supplies. Undergraduates.

Biology Department Tuition Waiver Scholarships. GPA ≥ 3.3 . Undergraduate students.

Declan Barron Memorial Scholarship. GPA ≥ 3.3 . Financial need is a secondary criterion. Undergraduate or graduate students.

Frances and Alfred Baker Memorial Scholarships. GPA ≥ 3.3 , students pursuing studies in aquatic biology or environmental health. Undergraduate students with financial need.

Hodgson Family Scholarships. GPA ≥ 3.3 , preference will be given to those students interested in horticulture/botany. Undergraduate students.

Rathman Family Foundation. GPA ≥ 3.3 , Must show exceptional merit and financial need. Undergraduate students.

June and Charles Ross Undergraduate Scholarship. GPA ≥ 3.3 , preference will be given to undergraduate students with a marine interest. FAFSA will determine financial need; you should have sent your FAFSA to the federal processor by Western's priority deadline and should need assistance of $\geq \$1,000$.
